

## 1964 SANDBUR

Knox High School

Knox

Indiana

### **Table of Contents**

We, the 1964 Sandbur staff, hope that this annual will become one of your most prized possessions and that you may look back over the faded snapshots and remember the good old days at KHS.

In later years while turning these pages, if you should recall the many smiles, sorrows, and dreams of '64, we shall be content, knowing that we have done the thing we were called upon to do.

We have tried to present a key to each division and activity of high school work and fun. Knowing that the key to success is enthusiasm, we have all whole-heartedly joined in to make this Sandbur one of the best ever. We feel that your satisfaction with this volume is our compensation, and with this thought we proudly give you the key to the 1964 SANDBUR.

#### Dedication

THAD JANISON PRYCE

KEITH MORRISON PRYCE

In July the citizens of Knox were stunned by the news of a terrible automobile accident in which four former Knox students were involved: Dan George and Keith Pryce, who died that day; Thad Pryce, who lived until September; and Gene Gillogly, who still is in the hospital in a serious condition at the time this annual goes to press.

It was and is hard to realize that three such fine young men are dead and the fourth seriously injured. However, we look back with pleasure to our friendship with these boys and recall so many wonderful memories of them. All four boys brought many honors to Knox High in athletics: Thad, Gene, and Keith as varsity football players; Danny as a varsity basketball player; and all four as members of the track team.

They were also active in other school activities. Gene was in the band for four years; Danny was in Shakespearean Club, and the Pryce boys held many offices in their classes and school. Both were vice-president of the Student Council in their senior years. Keith was president of his senior class, and Thad was vice-president of his junior class. The Annual Staff remembers Keith particularly as its efficient business manager in his junior year.

Knox High remembers these boys' achievements which brought honor to the school but more important remembers them themselves as clean-cut, honorable, and true gentlemen. All four were in college and had high ambitions and hopes for the future, so it was almost unbearably sad when three of their lives were ended at such early ages. However, in the over-all picture of life, it is not the length of life that is important but the imprint that the person makes on his associates and friends. Certainly these boys made an indelible mark on their friends, and Knox High School is very proud to claim them among its finest graduates.

So it is with great pride but also deep sorrow that we dedicate the 1964 Sandbur to Dan, Thad, Keith, and Gene.

GENE D. GILLOGLY

# Knox High Offers Each Of Us A Key

Knox High School offers each of us a key which unlocks the doors to the excitement of seeing ideas come to life through our leadership. It unlocks the doors to a solid preparation for college or a career. This key unlocks the doors to the laughter and tears which follow triumphs and defeats in athletics and to friendships which last a lifetime. The key is ours for the taking.

High school students are constantly searching for the key that will unlock the door to knowledge, popularity, or success in scholarship, athletics, or leadership.

The student himself is the master key, not his teachers, family, or friends. If he utilizes all of his God-given gifts—his own talents, abilities, and determination—he can successfully unlock the doors for a bright and productive future.

#### School Life

#### Knox Schools Mourned Kennedy's Death

We new counting of half mast during the thirty are mouthing period.

John F Kennedy

On Friday November 22 1963, the President of the United States of America. John Fitzgerild Kennedy, was taken from our midst by the bullet of an assassin. A part of each of us died on that day. In death, just as he had in life he gave of himself to us. He gave us of his courage that we might seek peace without fear. He gave us of his strength and wis dom that we might become leaders in our own right. He gave us of his heart from which came laughter and hum lify. All this and much more he gave to the world.

He called on us to stop thinking about what our country could do for us and to think instead about what we could do for our country. He asked us to let every nation know that 'we would pay any price bear any burden, meet any hardship, support any friend, oppose any foe to assure the survival and the success of liberty." He was his own profile in courage.

Our great leader was taken from us in a cruel death. We must unite in determination and carry on the spirit of John Fitzgerald Kennedy for a strengthened America and a world of peace.

Bulletin boards lepicted the assass nation of the president

#### AND CAME THE SPRING by Joseph and Mary Hayes

"And Came the Spring," produced by a group of the Knox High School students under the direction of Mr. R. Mulligan, renewed the former tradition of school plays. It was a comedy about a modern day family with a house full of teenagers. Midge, a pert 15 year old, Virginia, Midge's big sister with love problems, and Fll it Midge's intellectual brother, along with mother and father made up the household

Several "available males" and a visiting beauty added considerably to the plot complication, and the situation soon seemed beyond repair. In the end everything worked out for the best, of course, and it seemed everyone had grown up in the short period of spring vication.

One of the most memorable scenes of the play was the excitement of getting ready for the spring dance

#### The Everyday Routines at K.H.S. Were

As a school day begins, balls are crowded with students rushing to first period class

Steve Moorman finds time to relax between classes

Everyday routines are wonderful memories to the students of Knox High School, Students cherished the memories of the crowded halls, the daily classes, and the teachers. Most of all they remember the many friendships they made with their fellow classmates. These made up the memorable moments of 1964

Studying never ends even during noon

#### Beautiful Homecoming Festivities Filled

Students gather on the courthouse square for the pep rally

Coach Rush speaks to the enthusiastic crowd

A peppy march from downtown Knox to the football field on the night before the New Carlisle game marked the beginning of the Homecoming festivities for 1963. The cheers of the students were loud and strong when a Redskin cut the makeshift coffin of the New Carlisle Tigers to ribbons.

On the next afternoon, a colorful parade was led by K.H.S. band, twirlers, and pom-pom girls. Colorful floats, lovely queen candidates, the mighty Redskin team and the cheerleaders followed, with the student body bringing up the rear. At the courthouse square, Steve Moorman and Dave Lotter, co-captains for the Homecoming game, spoke; and Sonny Wyland, president of student body, introduced the nominees for Homecoming Queen. Mayor Fichstaedt and Bill Barnett, former Knox student, also spoke. That evening during half-time, the Queen candidates were escorted to the field, forming a semi-circle, and stood eagerly awaiting the announcement of who would be queen. Pat Christian, Homecoming Queen of 1962, placed the silver crown on Sally Brown's head and presented the new queen with the traditional bouquet of red roses

The Homecoming spirits ran even higher as the Knox Redskins tied New Carlisle Tigers 6-6. The clamax to the gala events was the Homecoming dance, honoring the Homecoming Queen, who led the grand march. All these festivities made this a wonderful Homecoming.

#### Students With Enthusiastic School Spirit.

Starry-eyed Prom-goers Experience

#### Shangri-La in All Its Oriental Splendor

Shangri-la" created an air of festivity for the couples at the 1963 Junior-Senior Prom. A little rainy weather failed to dampen the spirits and excitement of the prom-goers

Couples entered the Knox gym through red streamers hanging from an archway and were directed to tables by Japanese waiters. Oriental aroma encircled the gym putting prom-goers in an exotic mood. From the ceiling hung oriental lanterns, and the tables were decorated with candles and flower arrangements A bridge over a pool of water added a romantic touch to the scene

About 11:00 Junior class president, Ron Buckley, crowned Sally Brown as the 1963 Prom Queen. Then Sally began the Grand March with Ron Buckley, followed by her prom court and their escorts and the rest of the couples

The post-prom activities, sponsored by the Kiwanis Club, included the movie Gidget Goes Hawanan at the Knox Theatre, a dance at the V.F.W., and a breakfast served at the Methodist Church

The fun and happiness of the big weekend will always be remembered by those who attended

It was hard work, but we had time for fun

Queen Sails and her escort Stove Berning

#### Languages Improve Students' Speaking

In speech class, Dave helped Kathy with her speech to instruct.

Students were prepared in the Junior High School for future landinge study

Language, the world's way of communication, is the basis of all human relationships. Since everyone is first judged by his knowledge of his native language, the English Department strives hard to make good English skills a habit to the students. Besides the fundamentals that English involves, the department teaches the students an appreciation of its own country and the other countries of the world and an understanding of all types of people through the study of the world's greatest writings

In addition to English, the students have the opportunity of studying two foreign languages: the classical language. Latin, or the modern language German, the subject which was added to the curriculum this year. Through the study of these languages, the student gains an appreciation of past and present foreign culture. Also it has proved that the study of a foreign language is very helpful to the student in improving his native tongue, English

Senior English helped to prepare these students for college

#### They Used Math and Science Everyday

Dissecting in biology will never be forgotten by sophomores

Cher atts of new maderit I in

Can it be solved? Is there an answer? These are the usual questions asked by the students of mathematics and science. These two fields are perhaps two of the most needed for "today's life." The progress of the world depends not only on our scientists and mathematicians, but on average Americans who must have a knowledge of these courses to have a well rounded education for understanding everyday problems. Not many who take courses in these two fields ever retain a specific formula or procedure for solving a theorem, but instead they remember the skill they developed for accurate figuring and form ulating a hypothesis

It takes great concentration to solve a mathematical equation

#### They Learned of the Past and Present

Notetaking in world history class is quite important

Students in Social Studies begin with ancient history and continue their studies through the annals of history to current events. These students learn that they can judge the future by studying and analyzing the past. They study man's problems in war and peace, in politics and religion

With the threat of a global war seemingly hanging over all, it is necessary to study about the people of all countries of the world in order to have a better understanding among nations

World history carries the students back to ancient times and acquaints them with the actual development of civilization

Traveling up the historical pathway to more modern times. United States history teaches students about America's great heritage. United States history and the government classes clarify the operation of the governmental systems and teach the duties of being good citizens.

Government class clarified the operation of our government

By studying history, Jack is learning how the past is affecting the future

#### Students Trained Their Hands for Work

Vocational training is especially necessary for students who have chosen to work immediately after high school. Training in homemaking and shop give the students the basic training needed for the future years. Whether they plan on further study or not, these vocational courses are very helpful.

A large number of students took advantage of the vocational training courses offered at K.H.S. during the past year. Such courses as sewing, cooking, woodwork, metalwork, industrial arts were offered in the vocational courses

Industrial arts in the Junior High School prepared boys for further studies in high school

Cooking will be a great benefit to Bonnie someday

Welding is useful to know

#### They Trained for a Commercial World

Typing will always benefit these students

Our complicated economic system demands that all schools provide a sound program of business education

Commercial education is the best curriculum for any student who plans on entering any business field. Future secretaries, bookkeepers, accountants, and others received adequate training in high school for some of these jobs and may obtain higher education and training for the more specialized ones

At K.H.S. the students learn the basic business skills that will be needed throughout their lives in everyday living

Economic geography gave the students a bitter look at the world and its economic problems

Practice sets are always done in bookkeeping

### Students Increased Their Appreciation

of Music

The most important objective in the field of musical education and art is to help pupils understand these arts and develop a lasting appreciation and enjoyment of them. Other goals are related to the success of pupils as individuals. Students who develop musical talents learn necessary skills to express their moods and feelings in the courses of music and art

Musical talent and art talent can brighten up their lives. They can also be an outlet for hobbies and lifetime occupations

Everyone had a helping hand in making a great band

The chorus was part of our convocation programs

#### **Building Healthy Bodies Was Their Goal**

Building pyramids was one of the more enjoyable activities in physical education

Physical fitness is being stressed more at Knox High School

Students are even taught how to change tires in Drivers' Education

Since more emphasis has been placed on physical fitness in the past years, the Physical Education department has gained more importance in the school curriculum. The freshman and sophomore courses are required but the advanced courses are electives

The students participate in various sports, such as basketball, ping-pong, shuffleboard, and other inside activities during the cold months: however, when the weather becomes more pleasant, classes are held outside. Besides developing physical fitness the students learn good sportsmanship, spirit, and teamwork

Our driver's training program is held only in the summer months

#### Counseling Program Helped Students

Literature was available for all who were choosing a career

A chart of subjects helped Peg choose hi

In the past year the counselor's office was a very popular place. There were always students getting advice on colleges, trade schools, jobs, military service, and various personal problems. Each student in high school was called into the counselor's office for a conference. In addition to personal counseling, the office was in charge of the testing for all students in mental ability and aptitude. These tests are used by the counselor in helping the student with decisions about his future life. Most students appreciated the service and personal advice in their problems

#### PHOTOGRAPHERS

Under the direction of Mary Ann Olejniczak and Judy Beecham, co-editors, and Mrs Hite, sponsor, the Annual Staff designed the 1964 Sandbur

The staff canvassed the town selling ads and subscriptions; worked knee deep in photographs, copy sheets, and card files; and got their fingers tangled in typewriter ribbons

After the copies had been sent to press, they looked back at the bickering, the panic sessions right before deadline, and the mounds of photos and paper with a sigh of relief, but eager anticipation to see the results of their hard work

The staff sincerely hopes that the student body will enjoy reliving a few moments of this year, portrayed in the 1964 Sandbur

## Gives Many Concerts and Programs

OHIGERS Rick Logert, President, Pat Howard, Secretary Rosella Jarrett, Vice-President; Steve Berning, Treasurer

Our high school chorus has expanded from 60 to 83 members in one year under the direction of Mr. Lynch

The chorus started the year with a candy sale to finish paying for the robes that were purchased last year. The sale was so successful that the robes were completely paid for and a little profit was left. As a reward for their work, the choir had a barbecue in the park

The chorus gave the first of its programs at Christmas

It was a combined concert with the band and proved to be a success. Most of the selections were of a religious nature although a bright song or two was added for e. c.y. The second concert held in March was a pop concert. The chorus also performed for organizations throughout the community. To finish the year, as is traditional, the chorus performed at the commencement exercises. All in all, this has been a fine year for the chorus

Following the football games, the band turned its attention to the concert season. On December 18 they presented a Christmas concert combined with the chair using different types of Christmas music. On Labrairy 21 they presented a second mid-winter concert. Henry Schricker was the band's honorary guest at this concert.

On April 16, the concert band from Vincennes visited them. They were the hosts during their stay at Knox

April 18 marked the annual band contest. This year the contest was held in Goshen. This event is always one of the high-lights of the year. This year as in previous years, the band represented the school and themselves very well.

### Band Adds Color to Football Games

Knox Marching Band

Top Row: Nancy Polen Holl, Hall Sara John Rit, Witsche Flame Eggert I nda Dikson, Sharon Binkley Rita Palla Sara Rita Kay Sebential, Kathy Gray Delores Collins, Joyce Jackson Sharin Whybrew Drim major John Cox

The marching band of Knox High School was organized at the beginning of the summer to march at various activities during the summer and fall. This summer we marched in the Hamlet and LaCrosse Centennials plus several parades here in Knox. We also presented an evening program for the patients of Westville Beatty Memorial Hospital. At the end of the summer activities we started on the fall football shows. In these shows we presented marches and pop tunes which were put together with dance steps and precision drills

The pom-pom girls were added to the band this year. Their job was to join with the band in marching maneuvers and to add to the appearance of the band. They also had the pleasure of entertaining at the Kiwanis Christmas Party.

Due to the efforts of the cheer leaders and cheerblock, the Knox Redskins could count on plenty of support from the crowd. Even when the team's spirit and score were low, the cheerleaders and cheerblock kept up their spirit and put a new spark to the game

The cheerblock looked very nice this year in their red and white outfits, and the cheerlead ers in their white skirts and sweaters. This year they were under a new sponsor, Miss Peak

They sponsored two dances this year for their money-making projects

#### Bill Wins Ben Bowen Award

A IL MAKE C

The Ben Bowen Award, the high est honor a Knox High athlete can receive was presented to Bill Stute ville at last year's annual athletic banquet. This award named after a tine Knox athlete who gave his life for his country is presented to a boy whose record exemplifies clean living, sportsmanship, athletic ability, support of school activities and good scholarship. The winner is chosen by a committee consisting of all junior and senior high coaches and principals, the superintendent of schools and a representative of the school board

Bill's outstanding athletic ability and scholastic ability aided him in gaining this coveted award. Bill played varsity football for three years and was chosen most valuable lineman in his junior and sen for years. In his senior year he was chosen co-captain and most valuable player. He won honors in the conference and all-area teams. Bill played two years of varsity bas ketball and participated for four years in track. Besides his athletic ichievements, Bill was class pres ident in his senior year, ranked third scholastically in his graduating class, and belonged to the annual and smoke signal staffs

Knox High is proud of Bill and wishes him success in college and the future

M. Laramore presents the awar to Bill

Senior Co-Captain M. Riehle, Quarterback

Our Redskins equipped with a new coaching staff and a desire to win, finished the football season with a fine 6-2-1 record

They opened the season by defeating a tough Bremen team 7-0 It was the first time that Knox had ever beaten Bremen in the two schools' rivalry. The following two weeks Knox beat Jimtown 13-7 and Rolling Prairie 12-0 for their second and third victories in a row. The homecoming game was played against a New Carlisle team, which was also undefeated. When the final whistle blew, the score stood at a 6-6 tie. Knox was dealt its first defeat of the season at North Liberty 21-2. Our gridders made up for it in the next two games, however, by downing Rensselaer 19-7 and upsetting oncebeaten Twin Lakes 3 - 20. They bettered their record to 6-1-1 by defeating Walkerton 29-13. In the last game Knox suffered a 38-7 defeat at the hands of a strong North Judson team

Mike Riehle Senior Forward

The Knox Varsity basketball team finished the season with a 9-12 record. Although they were beaten in the first game of the sectional by a hot Aubbeenaubbee team, the Redskins played many good games during the season. Buckley and Wy land were the outstanding scorers for the team, and Ron was the second high scorer in Knox High's history. In varsity competition he scored 1137 points. Wyland was also a high scorer and totaled 622 points. Sonny won the free throw award in 1962-63 and Ron in 1963-64. Both boys won three varsity let ters and both made the Northern State Conference first team in '62-'63. Wyland was voted captain of the squad for the 1963-64 season by his teammates. Both boys will be greatly missed next year. Other seniors were Mike Riehle, who was an asset to the team with his rebounding and free throw shooting, and Gene Brems, who had a lot of fight. Other regulars were two juniors, Steve Harbison and Bob Smith, and two sophomores, Larry Richie and Jerry Johnson. Rounding out the team were Mike Henry, Bob Garr, and Jack D'Amato

With seven returning lettermen and the boys from the Bteam, Knox should have a good team next year

Mr Beeson, head coach, and Mr. March, assistant coach are to be congratulated on doing a good job with so many inexperienced players

Gene Brems Senior Forward

# Faces Are The Key To Personalities

# Administration Works to Improve

Show board combers. I in Getrae treasurer. Harold Weinberg selectars. Right Harbison superintendent, James Pelen president.

Donna Riehle, secretary to Mr. Harbison; Jerry Marshall, secretary to the School Board; Hester Bickel, secretary to Mr. Hamblin; Bonnie Taylor, secretary to Mr. Laramore

The Knox School Board is a group of men who are constantly striving to better the Knox school system. Each year the board does all it can to improve the teaching program and the facilities of the school. This year some of the improvements included the paving of the parking lot and the refinishing of the gymnasium floor. The school is very grateful to the board for these helpful additions.

# Using the Key of Wisdom to Guide Them

Many ni Allen am a ter Bob Solers Vol Er acent. Mixe Read Ser for Die I Mer Student Council Sally Briwn President, John Solers Council

## The Class of '64 Entered Knox High School

Sponsors: Mr. Nickoli h. Mr. Purtee, Miss Phillips and Mr. Miller

We tamed and tied the tigers

With the key of wisdom in their hands and the voice of knowledge whis pering in their ears, the seniors set forth to open new doors and delve into a new and exciting world

As the years passed, they recalled the many events that made their school year more enjoyable: the Homecomings, the football and basketball games: the sectionals and the regional that Knox won; the prom, Shangti-La and all the work they did to make it a success; the term papers; studying Biology, Government, and Shakespeare's "Macbeth"; pictures and name cards and finally graduation

Throughout the past years the voice of guidance and good counsel has aided them in the many experiences they en countered. Now they are ready to seek a new door for their key, to find a clear guiding voice, and to share it with friends and posterity. More than to any other group, the year 1964 belonged to the seniors. To them it will always be THF YEAR OF MY GRADUATION.

## Juniors Mix Hard Work and Fun

This so ar tiest place winner

Returning to the halfs of K.H.S., the Juniors made their final selection on their class rings and proudly displayed them

Their main goal in 63-64 was to raise enough money to fulfill their responsibilities. Early in the year they sponsored a bake sale and during the football season a fish fry, both of which proved to be highly successful.

They are very proud of the members of the class of 65 for their accomplishments. Many of the boys participated in football, basketball, and other sports. The old tradition of a school play came back this year, and many of the juniors worked very hard for its success. They also were active in other clubs and activities.

In the spring they proudly presented a very beautiful prom with the seniors as their honored guest. They now eagerly await their senior year and its activities

#### KNOX JUNIOR CHAMBER OF COMMERCE

Sponsor of Jaycee Scholarship THE JAYCEE CREED

We believe:

That faith in God gives meaning and purpose to human ife-

That the brotherhood of men transcends the sovereignty of nations.

That economic justice can best be won by free men through free enterprise:

That government should be of law rather than of men:

That earth's great treasure lies in human personality:

And that service to humanity is the best work of life.

Zilinsky, Peter 134

The buture—ever brighter—stands before
It seems with but a step we'll reach its door
A backward glance is all that we can spare
But, having glimpsed again the cherished Past
We pause and contemplate our lot
And in the years ahead sweet Memory will renew.
Our fondest thoughts, Knox High School, of you
—William Bird
